LEGACY
— FOUNDATION —

Leaving a Legacy Gala

A BENEFIT FOR THE HAROLD & CARMEN POULSEN
LEGACY HOUSING PROJECT.

THURSDAY, OCTOBER 24TH
UNIVERSITY OF PROVIDENCE
EVENT CENTER

MONTANA'S OWN

With more than 500 of Montana's very own employees, Blue Cross and Blue Shield of Montana is one of the most loyal employers in the state. Since 1940, we've been here when our troops came home from the war, when you first got married, when you had your first baby and when you went through a family health crisis.

We've always been here for you.

**BlueCross BlueShield
of Montana**

bcbsmt.com | 800-447-7828

Welcome to the First “Leaving a Legacy Gala!”

This event marks your moment to touch the lives of the patients we serve across Central Montana. The Great Falls Clinic was founded more than 100 years ago, and since then has served the Great Falls community and surrounding areas by providing hope and healing to patients and their families.

Tonight, you have the same opportunity to bring hope and healing to patients and their families traveling to Great Falls for medical treatment. The Great Falls Clinic Legacy Foundation was founded in 2015 after our providers listened to our patients’ concerns. Our patients shared their challenge of having to repeatedly travel with their family from long distances and without an affordable place to stay during treatment. Over 42% of our patients travel to Great Falls from surrounding areas.

When we heard these challenges and experienced them first-hand, we acted immediately. The Great Falls Clinic Legacy Foundation’s primary purpose is to build and sustain free temporary patient housing for patients and their families traveling with all illnesses, but primarily cancer.

100% of the proceeds from this evening’s event will support the mission of the Great Falls Clinic Legacy Foundation. This is your opportunity to leave a legacy. Your donation will support patients and families in need during some of the toughest times in their lives. Your support tonight will directly help cancer patients, children, family and fellow Montana rural neighbors, by reducing the financial burden and stress during their medical treatment, ultimately increasing the level of care and promoting overall health and wellness.

We are grateful for our sponsors, donors and supporters, along with all of our volunteers, committee members, employees and board members. And finally, thank YOU for joining us at this year’s event and helping us leave a lasting legacy.

Enjoy your evening.

Samantha Shinaberger
Executive Director
