Welcome to our Second Annual “Leaving a Legacy Gala!”

This event marks your moment to touch the lives of the patients we serve from all over Montana. For more than 100 years, the Great Falls Clinic has served the Great Falls community and surrounding areas by providing hope and healing to patients and their families.

Tonight you have the unique opportunity to bring hope and healing to patients and their families through your support. Your contributions will help the Legacy Foundation continue its ongoing efforts to provide free patient housing to patients traveling for medical treatment to Great Falls at our new ‘Harold & Carmen Poulsen Legacy Housing’ facility.

The Great Falls Clinic Legacy Foundation was founded in 2015 after Great Falls Clinic providers heard and acted on behalf of our patients’ concerns. Patients shared their challenges of having to repeatedly travel with their family from long distances, without an affordable place to stay during their treatment. Over 42% of the Clinic’s patients travel to Great Falls from surrounding areas.

August 2021 marked an exciting milestone for the Legacy Foundation as we opened the doors of our new ‘Harold & Carmen Poulsen Legacy Housing’ facility and accepted our first patients. However, our fundraising efforts did not end there and we still need your help raising the remaining funds to cover the construction of the facility as well as sustainability well into the future. The construction cost of the Harold & Carmen Housing facility was \$3.6 million. Thanks to a generous community, we have received over \$2.75 million dollars in donations to-date, but we still have approximately \$900,000 left to raise.

100% of the proceeds from tonight’s event will support the mission of the Great Falls Clinic Legacy Foundation. This is your opportunity to leave a legacy. Your donation will support patients and families in need during some of the toughest times in their lives. Your support will directly impact cancer patients, children, families, and other fellow Montanans in need, by reducing the financial burden and stress during their medical treatment.

We are grateful for our sponsors, donors, and supporters, along with all our volunteers, committee members, employees, and board members. It is because of you, that we are able to be here today and provide FREE housing to patients across Montana. And finally, thank YOU for joining us at this year’s event and helping us leave a legacy.

Enjoy your evening.

“That’s Amore” Homemade Ravioli Dinner for 8* The Ravioli Family Tradition!

The main course of raviolis is steeped in family tradition and preparation often turns into a family event. With the recipe passed through several generations, suggestions to my Mom to use modern devices such as pasta machines is frowned upon and I quote “we don’t make our “Ravs” like that”. The dough is hand-rolled as thin as cellophane. Hand rolled balls of filling are placed in a row. The dough is folded over the filling, and a glass (as old as the recipe) is used to cut each individual ravioli. The “Ravs” are then crimped all the way around with a fork. It takes two days for the raviolis to dry in a bed of cornmeal...waiting is the hardest part.

After hours of hard work and much anticipation, the “Ravs” are served with our homemade Bolognese sauce... another 200-year-old recipe. It is a labor of love, but as you might have guessed, only made for special occasions and Christmas. A young nephew describes the raviolis as “a taste of heaven”. I’m just sayin’.

**Must schedule after May 2022, date will be agreed upon between the host and the auction item winner.*

BIDDING INSTRUCTIONS

BIDDER REGISTRATION: Bidders must register first in order to be able to place a bid. You can click the green register button near the bottom of the page or select Register in the main menu at the top of the page.

BIDDING: When you are signed in as a bidder you can click on an item in the Silent Auction Catalog and if bidding is open for that item, your bid will be included as part of the silent auction bidding.

PROXY BIDDING: Proxy Bidding may be offered on your bid. Proxy Bidding allows you to enter your maximum bid. When a proxy bid is entered, your actual bid is kept as low as possible and the system will raise the bid up to the maximum entered only as another bidder bids against them. With proxy bidding you will only pay the lowest possible winning bid which may not actually be the maximum bid you originally placed for the item. Your bid will never go over the amount you entered. Please note, another bidder can still bid the Buy-It-Now value to win the item.

Have Fun and Good Luck Bidding!
